REDUCED RATE PETROLEUM PRODUCTS CERTIFICATION

This certifies that we have used the reduced rate petroleum products listed below, in the quantities shown. These petroleum products were purchased in the State of Connecticut and the 5% gross earnings tax was paid on the purchase price. It is requested that credit in the amount of \$_____ be issued to the purchaser because the petroleum products were ultimately used in a reduced rate manner.

For petroleum products gross earnings tax purposes, the following products are reduced rate petroleum products: Number 6 oil used exclusively by a company that is included in code classifications 2000 through 3999, inclusive, of the Standard Industrial Classification (SIC) Manual, 1987 edition, or in Sector 31, 32 or 33 of the North American Industrial Classification Systems (NAICS) United States Manual, United States Office of Management and Budget, 1997 edition; and Number 2 heating oil used exclusively in a vessel that is primarily engaged in interstate commerce, where the vessel qualifies for an exemption from sales and use taxes under Conn. Gen. Stat. §12-412, as amended.
